### **CARRIAGE PAID TO (...named place of destination)**

“Carriage paid to...” means that the seller delivers the goods to the carrier nominated by him but the seller must in addition pay the cost of carriage necessary to bring the goods to the named destination. This means that the buyer bears all risks and any other costs occurring after the goods have been delivered.

“Carrier” means any person who, in a contract of carriage, undertakes to perform or to procure the performance of transport, by rail, road, sea, inland waterway or by a combination of such modes.

If subsequent carriers are used for the carriage to the agreed destination, the risk passes when the goods have been delivered to the first carrier.

The CPT term requires the seller to clear the goods for export.

This term may be used irrespective of the mode of transport including multimodal transport.
